Summary of Case study/project	
Organisations Concerned	<ul style="list-style-type: none"> - Fundación Legado Andalusí (Foundation the Legacy of al-Andalus) - Town Councils of the towns along the routes (110 towns)
Case study/Project detailed description	<p>We intend, through this initiative, to spread and disseminate the fundamentals of a special kind of cuisine, that is the base of the fusion and respect for other culinary traditions such as the Jewish or the Sephardic, the Christian one and the testing of Muslim specialities, and also to disseminate the origin of many dishes that constitute our daily and popular cuisine. The cookery workshop will have an approximate duration of 5 hours, during which the expert</p>

	<p>restaurateur explains to the participants the tasting techniques of various original and characteristic dishes; a video of the Foundation “El Legado Andalusi” will be shown and a tasting dinner will be celebrated at the completion of the workshop session.</p>
<p>iOutputs</p>	<p>We enjoyed a massive participation in the towns along the Ruta del Califato (Route of the Caliphate) and the Ruta de Washington Irving (Route of Washington Irving).</p>
