Title of the Institution / Project in English	WORKSHOP OF DECORATION OF GLAZED CERAMIC TILES “La Alhambra con tus manos” (The Alhambra with your own hands)
Title of the Institution / Project in Original Language	TALLER DE AZULEJOS “La Alhambra con tus manos”
Summary of Case study/project	Workshop intended for schoolchildren which aims to retrieve the tradition of decorating glazed tiles produced in al-Andalus
Organisations Concerned	-Fundación Legado Andalusi (Foundation The Legacy of al-Andalus) -Cultural Council of the Regional Government of Andalusia.
Case study/Project detailed description	“La Alhambra con tus manos” is a workshop on Andalusi handicrafts organized by the Foundation and aims to promote the children’s ability to appreciate the various decorative techniques used to adorn the most beautiful Nasrid Palaces of Granada. At the

	<p>completion of each of the workshop courses, the participants can take home their finished works; this activity is complemented with an organized visit to the Parque de las Ciencias in Granada (Park of Science) and to the exhibition “Al-Andalus y la Ciencia” (“Al-Andalus and Science”), which focuses on the scientific advances promoted by the Islamic world.</p>
<p>Outputs</p>	<p>Participation focuses mainly on education centers located in the city of Granada and its surrounding towns.</p>
