Case study/Project detailed description	<p>“La Alhambra con tus manos” is a workshop on Andalusian handicrafts organized by the Foundation and aims to promote the children’s ability to appreciate the various decorative techniques used to adorn the most beautiful Nasrid Palaces in Granada. At the completion of each of the workshop course, the</p>

	<p><b>participants can take home their finished works; this activity is complemented with an organized visit to the Parque de las Ciencias in Granada (Park of Science) and to the exhibition “Al-Andalus y la Ciencia” (“Al-Andalus and Science”), which focuses on the scientific advances promoted by the Islamic world.</b></p>
<p><b>Outputs</b></p>	<p><b>Participation was mainly focused on education centers located in the city of Granada and its surrounding towns.</b></p>
