Summary of Case study	<p>THE PRINCE OF ASTURIAS AWARDS.</p> <ul style="list-style-type: none"> - What are the Prince of Asturias Awards - Who grants the Awards - What does The Prince of Asturias Award consist of - How is the Prince of Asturias Foundation funded
Organisations concerned	The Prince of Asturias Foundation
Case study detail	<ul style="list-style-type: none"> - The Prince of Asturias Awards are intended to acknowledge scientific, technical, cultural and humanitarian work of international scope carried out by individuals, teams or organizations, and are awarded in eight categories: Communication and Humanities, Social Sciences, Arts, Letters, Technical and Scientific Research, International Cooperation, Concord and Sports. The main objective is to contribute to extolling and promoting those scientific, cultural and humanistic values that are part of our world - The Prince of Asturias Foundation has organised the Prince of Asturias Awards since 1981. They are presented by H.R.H. the Prince of Asturias who is the Foundation's Honorary President, at a grand ceremony held in Oviedo, capital of the Principality of Asturias. Juries evaluate nominations and bestow the Awards. Each of the Awards has its own jury. - Each Prince of Asturias Award consists of a diploma, a sculpture donated by Joan Miró that symbolizes the Awards, an insignia of the Foundation's coat of Arms and 50.000 euros in prize money.

	<ul style="list-style-type: none">- The Prince of Asturias Foundation is a private non-profit-making organization, supported by income from its assets and by funding and donations provided yearly by the member of its Boards of Patrons, which are made up of individuals and organizations who collaborate regularly or sporadically with the Foundation.
